#### A. PARTIES/PLEADINGS

The Court has established a cut-off date for adding parties or amending pleadings. All motions to add parties or to amend the pleadings must be noticed to be *heard* on or before the cut-off date. All unserved parties will be dismissed at the time of the pretrial conference pursuant to Local Rule 16-8.1.

### B. <u>DISCOVERY AND DISCOVERY CUT-OFF</u>

- 1. <u>Discovery Cut-off</u>: The Court has established a cut-off date for discovery, including expert discovery, if applicable. This is not the date by which discovery requests must be served; it is the date by which all discovery, *including all hearings on any related motions*, is to be completed.
- 2. <u>Discovery Disputes</u>: Counsel are expected to comply with the Federal Rules of Civil Procedure and all Local Rules concerning discovery. Whenever possible, the Court expects counsel to resolve discovery problems among themselves in a courteous, reasonable and professional manner. The Court expects that counsel will adhere strictly to the Civility and Professionalism Guidelines (which can be found on the Court's website under Attorney Information, Attorney Admissions).
- 3. <u>Discovery Motions</u>: Any motion challenging the adequacy of discovery responses must be filed, served, and calendared sufficiently in advance of the discovery cut-off date to permit the responses to be obtained before that date if the motion is granted.
- 4. <u>Depositions</u>: All depositions shall commence sufficiently in advance of the discovery cut-off date to permit their completion and to permit the deposing party enough time to bring any discovery motions concerning the deposition before the cut-off date. Given the requirements to "meet and confer" and to give notice, in most cases a planned motion to compel must be discussed with opposing counsel at least six weeks before the cut-off.

- Written Discovery: All interrogatories, requests for production of 5. documents and requests for admissions must be served sufficiently in advance of the discovery cut-off date to permit the discovering party enough time to challenge (via motion practice) responses deemed to be deficient.
- 6. Expert Discovery: All disclosures must be made in writing. The parties should begin expert discovery shortly after the initial designation of experts. The final pretrial conference and trial dates will not be continued merely because expert discovery is not completed. Failure to comply with these or any other orders concerning expert discovery may result in the expert being excluded as a witness.

#### C. **LAW AND MOTION**

- 1. The Court has established a cut-off date for the *hearing* of motions. All motions must be noticed so that the *hearing* takes place on or before the motion cut-off date. Counsel are advised that the Court may close a hearing date once the number of motions filed exceeds the maximum number of motions that reasonably can be heard on that date. Counsel should anticipate that a preferred hearing date may not be unavailable. Therefore, to avoid being unable to file a motion to be heard by the cut-off date, counsel should file motions sufficiently in advance of the hearing cut-off date to ensure that a hearing date is available.
- 2. Counsel must provide Chambers with conformed Chambers copies of all documents. Chambers copies should not be put in envelopes. Counsel should consult the Court's website at www.cacd.uscourts.gov, Judges' Procedures and Schedules, Hon. Michael W. Fitzgerald, for further information regarding Chambers copies and motion procedures.

#### D. **SETTLEMENT PROCEDURES**

Counsel must complete a settlement conference under the Court-Directed ADR Program no later than the date set by the Court. If the parties desire to participate in an ADR procedure other than that elected in the Rule 26(f)

Scheduling Report and Order, they shall file a stipulation with the Court. this request will not necessarily be granted.

No case will proceed to trial unless all parties, including the principals of all corporate parties, have appeared personally at a settlement conference.

#### E. FINAL PRETRIAL CONFERENCE

A final pretrial conference date has been set pursuant to Rule 16 of the Federal Rules of Civil Procedure and Local Rule 16-8. Unless excused for good cause, each party appearing in this action shall be represented at the final pretrial conference by the lead trial counsel for that party. Counsel should be prepared to discuss streamlining the trial, including presentation of testimony by deposition excerpts or summaries, time limits, stipulations as to undisputed facts, and qualification of experts by admitted resumes.

#### II.

## **TRIAL PREPARATION**

#### A. <u>PRETRIAL DOCUMENTS</u>

- 1. All pretrial document copies shall be delivered to the Court "binder-ready" (three-hole punched on the left side, without blue-backs, and stapled only in the top left corner).
- 2. STRICT COMPLIANCE WITH LOCAL RULE 16 IS REQUIRED. THIS ORDER SETS FORTH SOME DIFFERENT AND SOME ADDITIONAL REQUIREMENTS. THIS COURT DOES NOT EXEMPT *PRO PER* PARTIES FROM THE REQUIREMENTS OF RULE 16. Carefully prepared memoranda of contentions of fact and law, witness lists, a joint exhibit list, and a proposed final pretrial conference order shall be submitted in accordance with the Rules, and the format of the proposed final pretrial conference order shall conform to the format set forth in Appendix A to the Local Rules. Failure to comply with these requirements may result in the final pretrial conference being taken off-calendar or continued, or in other sanctions.

19	В. <u>М</u>	MOTIONS	<u>IN LIMINE</u>	
20	Each pa	arty is limit	ed to five (5) motions in limine, unless the Co	ourt grants

*not* "to exclude all hearsay"). Motions *in limine* should not be disguised motions for summary adjudication of issues.

# C. <u>JURY INSTRUCTIONS, STATEMENT OF THE CASE, AND</u> VOIR DIRE

- 1. Pursuant to Local Rule 16-2, lead trial counsel for each party are required to meet and confer in person. The Court expects strict compliance with Local Rule 16-2. Fourteen days before the Local Rule 16-2 meeting, the parties shall exchange their respective proposed jury instructions and special verdict forms. Ten days prior to the Local Rule 16-2 meeting, each shall serve objections to the other's instructions and verdict forms. Before or at the Rule 16-2 meeting, counsel are ordered to meet and confer and attempt to come to agreement on the proposed jury instructions and verdict forms.
- 2. At the time of filing the proposed final pretrial conference order, counsel shall file with the Court a JOINT set of jury instructions on which there is agreement. All blanks in standard forms should be filled in. The Court expects counsel to agree on the substantial majority of jury instructions, particularly when pattern or model instructions provide a statement of applicable law. If one party fails to comply with the provisions of this section, the other party must file a unilateral set of jury instructions.
- 3. At the same time, each party shall file its proposed jury instructions that are objected to by any other party. Each disputed instruction must have attached a short statement (one or two paragraphs), including points and authorities, in support of the instruction and a brief statement, including points and authorities, in support of any objections. If applicable, a proposed alternative instruction must be provided.
- 4. When the *Manual of Model Jury Instructions for the Ninth Circuit* provides an applicable jury instruction, the parties should submit the most recent version, modified and supplemented to fit the circumstances of this case. Where

California law applies, counsel should use the current edition of the *Judicial Council of California Civil Jury Instructions* ("CACI"). If neither is applicable, counsel should consult the current edition of O'Malley, et al., *Federal Jury Practice and Instructions*. Each requested instruction shall (a) cite the authority or source of the instruction, (b) be set forth in full, (c) be on a separate page, (d) be numbered, (e) cover only one subject or principle of law, and (f) not repeat principles of law contained in any other requested instruction.

Counsel may submit alternatives to these instructions only if counsel has a reasoned argument that they do not properly state the law or they are incomplete.

- 5. Counsel must provide the documents described in paragraphs 2 and 3 to the Chambers email box in Word or WordPerfect 9 (or above) format *at the time they file their proposed jury instructions*.
- 6. The Court will send one or more copies of the instructions into the jury room for the jury's use during deliberations. Therefore, in addition to the copies described above, the Chambers email version must contain a "clean" set of jury instructions, containing only the text of the instruction (one per page) with the caption "Instruction No. \_\_" at the top (eliminating titles, supporting authority, etc.).
- 7. Counsel must provide an index of all instructions submitted, which must include the following:
  - a. the number of the instruction;
  - b. the title of the instruction;
  - c. the source of the instruction and any relevant case citations; and
  - d. the page number of the instruction.

26 /// 27 ///

For example:

<u>Number</u>	<u>Title</u>	<u>Source</u>	Page Number
1	Trademark-Defined	9th Cir. 8.5.1	1
	(15.U.S.C. § 1127)		

- 8. During the trial and before argument, the Court will meet with counsel and settle the instructions, and counsel will have an opportunity to make a further record concerning their objections.
- 9. At the time of filing the proposed final pretrial conference order, counsel should file a jointly prepared one- or two-page statement of the case to be read by the Court to the prospective panel of jurors before commencement of voir dire.
- 10. The Court will conduct the voir dire. The Court provides a list of basic questions, and may provide a list of additional questions to jurors before voir dire. (This is not a questionnaire to be completed by jurors.) Counsel may, but are not required to, file and submit (electronically to the Chambers email box and in paper form) a list of proposed case-specific voir dire questions at the time they file the proposed final pretrial conference order.
- 11. In most cases the Court will conduct its initial voir dire of 14 prospective jurors who will be seated in the jury box. Generally the Court will select eight jurors.
- 12. Each side will have three peremptory challenges. If fourteen jurors are seated in the box and all six peremptory challenges are exercised, the remaining eight jurors will constitute the jury panel. If fewer than six peremptory challenges are exercised, the eight jurors in the lowest numbered seats will be the jury. The Court will not necessarily accept a stipulation to a challenge for cause. If one or more challenges for cause are accepted, and all six peremptory challenges are exercised, the Court may decide to proceed with six or seven

jurors.

#### D. TRIAL EXHIBITS

- 1. Exhibits must be placed in three-ring binders indexed by exhibit number with tabs or dividers on the right side. Counsel shall submit to the Court an original and one copy of the binders. The spine portion of the binder shall indicate the volume number *and* contain an index of each exhibit included in the volume.
- 2. The Court requires that the following be submitted to the Courtroom Deputy Clerk ("CRD") on the *first day of trial*:
- a. The party's witness list in the order in which the witnesses may be called to testify.
- b. The joint exhibit list in the form specified in Local Rule 16-5 (Civil), which shall be sent in Word or WordPerfect format to the Chambers email box no later than noon on the Monday before trial.
- c. All of the exhibits (except those to be used for impeachment only), with official exhibit tags attached and bearing the same number shown on the exhibit list. Exhibit tags may be obtained from the receptionist in the Public Intake Section, located on the Main Street level of the courthouse at 312 North Spring Street, Room G-19. Exhibits shall be numbered 1, 2, 3, etc., NOT 1.1, 1.2, etc. The defense exhibit numbers shall not duplicate plaintiff's numbers. If a "blow-up" is an enlargement of an existing exhibit, it shall be designated with the number of the original exhibit followed by an "A." These items (and the items listed in d and e below) shall be provided on the first day of trial.
- d. The binder of *original exhibits* with the Court's exhibit tags, yellow tags for plaintiff and blue tags for defendant, stapled to the front of the exhibit at the upper right-hand corner with the case number, case name, and exhibit number placed on each tag.

- e. A three-ring binder containing a copy of all exhibits that can be reproduced, and a copy of the witness list. Each exhibit shall be tabbed with the exhibit number for easy referral.
- f. A three-ring binder containing a copy of all exhibits for use by witnesses.
- 3. A copy of the exhibit list with all *admitted exhibits* will be given to the jury during deliberations. Counsel shall review and approve the exhibit list with the CRD before the list is given to the jury.
- 4. Where a significant number of exhibits will be admitted, the Court encourages counsel, preferably by agreement, to consider ways in which testimony about exhibits may be made intelligible to the jury while it is being presented. Counsel should consider such devices as overhead projectors, jury notebooks for admitted exhibits or enlargements of important exhibits. [The Court has an Elmo and other equipment available for use during trial.] Information concerning training on the use of electronic equipment is available. Details are posted on the Court's website. To make reservations for training, call 213-894-3061. The Court does not permit exhibits to be "published" by passing them up and down the jury box. Exhibits may be displayed briefly using the screens in the courtroom, unless the process becomes too time-consuming.
- 5. All counsel are to meet not later than ten days before trial and to stipulate, so far as is possible, to foundation, to waiver of the best evidence rule and to those exhibits that may be received into evidence at the start of the trial. The exhibits to be so received will be noted on the Court's copy of the exhibit list.

#### E. <u>COURT REPORTER</u>

Any party requesting special court reporter services for any hearing (*i.e.*, real time transmission, daily transcripts) shall notify the reporter *at least 2 weeks before the hearing date*.

### F. <u>JURY TRIAL</u>

- 1. On the first day of trial, court will commence at 9:00 a.m. and conclude at approximately 4:30 p.m. with a one-hour lunch break. On the first day of trial, *counsel must appear at 8:30 a.m.* to discuss preliminary matters with the Court. After the first day of trial, trial days are Tuesday through Friday from 8:30 a.m. to approximately 2:00 p.m. with two twenty-minute breaks.
- 2. On the first day of trial, the jury panel will be called when the Court is satisfied that the matter is ready for trial. Jury selection usually takes only a few hours. Counsel should be prepared to proceed with opening statements and witness examination immediately after jury selection.
- 3. In most cases the Court will conduct its initial voir dire of 14 prospective jurors who will be seated in the jury box. Generally the Court will select eight jurors.
- 4. Each side will have three peremptory challenges. If 14 jurors are seated in the box and all six peremptories are exercised, the remaining eight jurors will constitute the jury panel. If fewer than six peremptories are exercised, the eight jurors in the lowest-numbered seats will be the jury. The Court will not necessarily accept a stipulation to a challenge for cause. If one or more challenges for cause are accepted and all six peremptories are exercised, the Court may decide to proceed with six or seven jurors.

III.

Requests may not be granted.
- 4. Counsel should not address or refer to witnesses or parties by first names alone, with the exception of witnesses under 14 years old.

8. Counsel should not talk to jurors at all, and should not talk to cocounsel, opposing counsel, witnesses, or clients where the conversation can be overheard by jurors. Each counsel should admonish counsel's own clients and

witnesses to avoid such conduct.

9. Where a party has more than one lawyer, only one may conduct the direct or cross-examination of a particular witness, or make objections as to that witness.

#### D. PROMPTNESS OF COUNSEL AND WITNESSES

- 1. Promptness is expected from counsel and witnesses. Once counsel are engaged in trial, this trial is counsel's first priority. The Court will not delay the trial or inconvenience jurors.

- 3. Counsel must notify the CRD in advance if any witness should be accommodated based on a disability or for other reasons.
- 4. No presenting party may be without witnesses. If a party's remaining witnesses are not immediately available and there is more than a brief delay, the Court may deem that party to have rested.
- 5. The Court attempts to cooperate with professional witnesses and will, except in extraordinary circumstances, accommodate them by permitting them to be called out of sequence. Counsel must anticipate any such possibility and discuss it with opposing counsel. If there is an objection, counsel must confer with the Court in advance.

#### E. <u>EXHIBITS</u>

1. Each counsel should keep counsel's own list of exhibits and should note when each has been admitted into evidence.

///

- 2. Each counsel is responsible for any exhibits that counsel secures from the CRD and must return them before leaving the courtroom at the end of the session.

- 2. In using depositions of an adverse party for impeachment, either one of the following procedures may be adopted:
- a. If counsel wishes to read the questions and answers as alleged impeachment and ask the witness no further questions on that subject, counsel shall first state the page and line where the reading begins and the page and line where the reading ends, and allow time for any objection. Counsel may then read the portions of the deposition into the record.

- b. If counsel wishes to ask the witness further questions on the subject matter, the deposition shall be placed in front of the witness and the witness told to read the relevant pages and lines silently. Then counsel may either ask the witness further questions on the matter and thereafter read the quotations, or read the quotations and thereafter ask further questions. Counsel should have an extra copy of the deposition for this purpose.
- 3. Where a witness is absent and the witness's testimony is offered by deposition, counsel may (a) have a reader occupy the witness chair and read the testimony of the witness while the examining lawyer asks the questions, or (b) have counsel read both the questions and answers.

Whenever counsel expects to offer a group of answers to interrogatories or requests for admissions extracted from one or more lengthy documents, counsel should prepare a new document listing each question and answer and identifying the document from which it has been extracted. Copies of this new document should be given to the Court and opposing counsel.

# H. ADVANCE NOTICE OF UNUSUAL OR DIFFICULT ISSUES

If any counsel have reason to anticipate that a difficult question of law or evidence will necessitate legal argument requiring research or briefing, counsel must give the Court advance notice. Counsel are directed to notify the CRD at the day's adjournment if an unexpected legal issue arises that could not have been foreseen and addressed by a motion *in limine*. *See* Fed. R. Evid. 103. Counsel must also advise the CRD at the end of each trial day of any issues that must be addressed outside the presence of the jury, so that there is no interruption of the trial. THE COURT WILL NOT KEEP JURORS WAITING.
